Subject: RE: Information for NRMRL & IOAA reports

On March 24, 2015, Dr. Eva Davis will be taking part in a program to recognize cleanup achievements at the former Williams Air Force Base in Mesa, AZ. Highlighting the Steam Enhanced Extraction remediation of the liquid fuels storage area. Those participating in the program include representatives from Air Force Civil Engineering Center, EPA Region 9, and the Arizona Department of Environmental Quality.

Subject: Information for NRMRL & IOAA reports

Division Directors have been asked to share important news, event information, etc. at the NRMRL Monday morning meetings.

Please provide information about upcoming items such as conferences, presentations, meetings, field work, etc., to me by 4:00 PM, Thursday, March 5, so that I can organize and consolidate the info.

Thank you,
Rebecca
